ABOUT ME

I am 24 years old. I graduated from Beykent University's **Software Engineering** department. As a dedicated full-stack developer, I specialize in creating dynamic and responsive web applications. My expertise spans both front-end and back-end technologies, particularly **React**, **Laravel**, and **NodeJs**. I have a proven track record of delivering high-quality projects, meeting deadlines, and exceeding client expectations. My hands-on experience includes building complex applications, integrating APIs, and optimizing performance. I am committed to continuous learning and staying updated with the latest industry trends and best practices.
